

Cumberland County Soil & Water Conservation District

February 16, 2009

Matt Brunner
Gunderboom, Inc.
2 White Sand Lane
Scarborough, Maine 04074

Dear Matt:

I am happy to inform you that Gunderboom has been chosen to receive Cumberland County Soil and Water Conservation District's Outstanding Business Partner Award! This special award is reserved for a business that provides assistance to the District in carrying out our mission to protect Cumberland County's natural resources.

During the course of the Totten Road stream crossing improvement project, Gunderboom went above and beyond the call of duty to meet our needs. Your willingness to work with us, on such short notice, I might add, helped the District complete this successful project. Your staff was knowledgeable and professional and was willing to work with us in spite of the delays we experienced in the installation of the open bottom culvert. We appreciate your efforts and we look forward to working with you in the future.

The Cumberland County Soil and Water Conservation District acknowledges these impressive efforts. We would be honored to have you join us at the District's Annual Meeting on March 18th at the Robie School, 668 Gray Road (Route 202) in Gorham from 6:00 to 8:00 PM. The annual meeting and presentation of awards will follow a buffet dinner beginning at 6:00 PM. Please RSVP to Betty McInnes at the number below or by email betty-mcinnis@cumberlandswcd.org by March 11th.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Gordon". The signature is fluid and cursive, written over a horizontal line.

Thomas U. Gordon
Chairman, Board of Supervisors
